Cr Wendy Boglary

Dear Wendy

Thank you for your support of the Redlands Centre for Women's International Women's Day High Tea 2019.

Over the last 6 months Redlands Centre for Women has faced uncertainty about the future and whether the 2019 High Tea would go ahead. We managed to assemble a new Events Team who, despite not having the experience of delivering the previous High Tea's, did an amazing job at delivering a stand out event.

With your support, we have been able to achieve a hugely successful fundraising event to enable us to continue to support Women in the Redlands.

The Events Team and RCW have received feedback from attendees and sponsors and realise that we can do better for those who support us. In particular, we will arrange for table stands that will showcase the sponsors of the event and detail the raffle prizes as well as who donated them.

As a supporter of our Centre and a presence at our High Tea, we value your feedback. If you have any ideas on how we can improve the High Tea and add value to you as a supporter, please email [info@redlandscentreforwomen.com](mailto:info@redlandscentreforwomen.com)

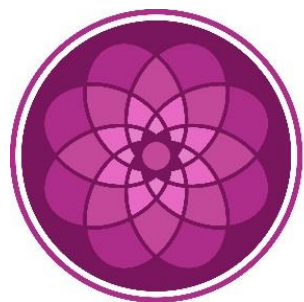

We are starting early with our plans for our 2020 High Tea, if you would like to be a part of it, please register your interest by emailing [events@redlandscentreforwomen.com](mailto:events@redlandscentreforwomen.com)

Thank you again for your support and being a part of our success.

Kind regards
